RECOGNIZING PERKASIE'S 108TH COMMUNITY CHRISTMAS TREE LIGHTING

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FITZPATRICK. Mr. Speaker, this Saturday evening, Santa Claus will arrive in the Borough of Perkasio atop a borough electric truck to light the town's Christmas tree and, in doing so, continue a tradition over 100 years old.

Since 1909, residents of this small borough in upper Bucks County have gathered together to participate in the community tree lighting ceremony recognized as the oldest tree lighting in the Nation. While a lot has changed over the generations, community leaders, elected officials, and local residents have kept this annual event's unique, small-town charm and enshrined it as a timeless Christmas ritual.

Now in its 108th year, this official start to the holiday season continues to serve not only as a source of pride for the people of Perkasio, but also an example of what makes the communities across my district special and an honor to represent.

I am proud to recognize Perkasio's 108th community Christmas tree lighting and join in the celebration of this enduring holiday tradition.

THE GOP TAX PLAN

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute.)

Mr. ESPAILLAT. Mr. Speaker, the GOP tax plan is more than a bad deal for most working class and middle class Americans. It is a tax scam.

Many families that will be hit the hardest by this tax plan are New Yorkers. It will cost New Yorkers a total of \$17 billion, and they are my constituents. Repealing the State and local tax deduction, also known as SALT, is an assault on my constituents.

My district will have the highest tax increases in the Nation without SALT. Mr. Speaker, repealing SALT means that 760,000 New Yorkers residing across the State will have their taxes increased.

This is a bad deal for them and all Americans. This will mean an average of almost \$5,000 for middle class families. Investing in education, firefighters, police services, and many other essential services keep our cities running. They are not an option. City services are not a luxury, and we should not be punishing taxpayers who pay for them.

Mr. Speaker, I urge my colleagues to reject this tax scam and negotiate a better deal.
